live in the catchment  
of Edward Hain  
Community Hospital

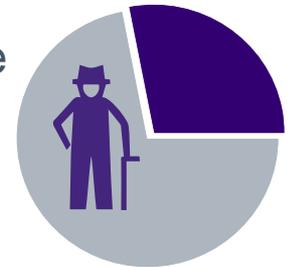

**24%** of people  
**have a limiting long-term  
condition**, compared with  
18% across England.

**1.9km** average  
road distance from GP  
surgery, compared with  
1.2km across England.

**28%** of the population are  
**older than 65**, compared  
with 22% of the south west,  
and 18% of England.

**24%** of households  
**have no car**,  
compared with 26%  
across England.

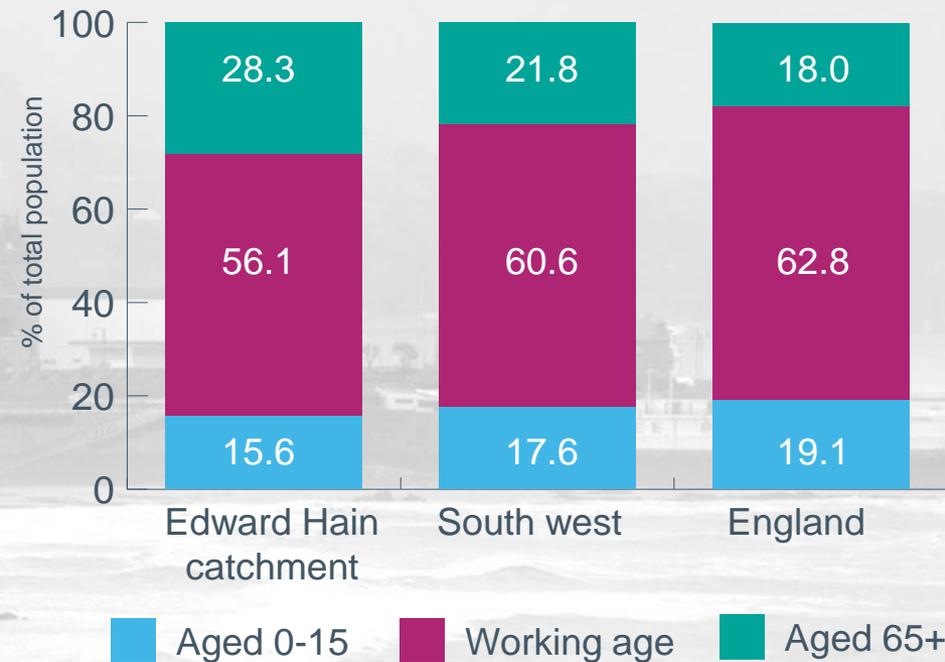

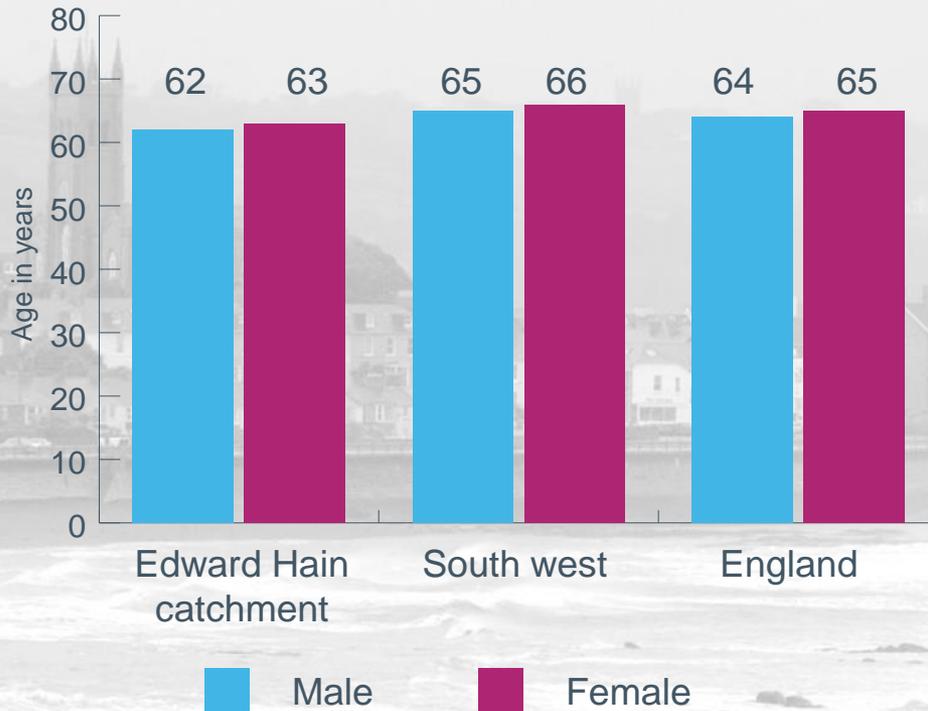

**People like living here**  
**84%** of people are  
**satisfied with their neighbourhood**,  
compared with 79% across England.

## Penwith: Key facts

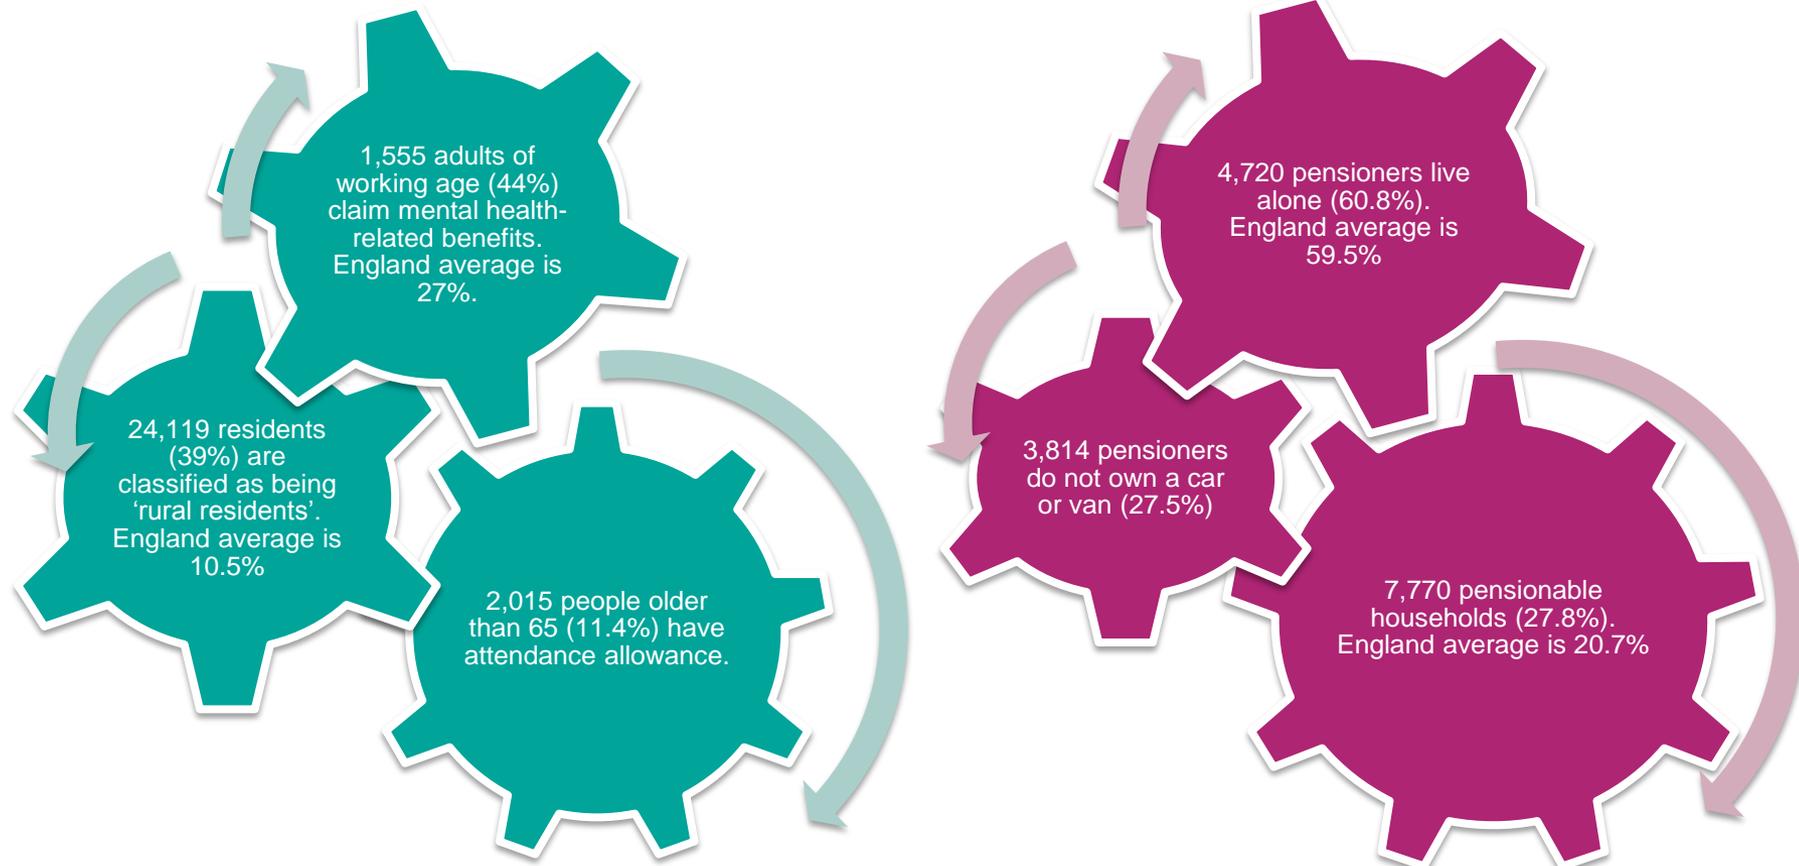

### Disability free life expectancy

## Penwith population needs

Whilst some of the population needs are not unique to Penwith and are in line with the England average, there are higher than the England averages for people with mental ill health, more older people, more rural residents and more older people living alone-with a significant proportion without transport. Loneliness and isolation may well be a significant factor to consider here.

## Facts and figures

**Eight GP surgeries**, with a registered population of **65,170**.

### West

- Alverton
- Cape Cornwall
- Morrab
- Rosmellyn
- Sunnyside

### East

- Bodriggy
- Marazion
- Stennack

Higher numbers of local staff are reaching retirement age:

**33%** of practice nurses

**15%** of GPs

**28%** of community nurses

### Care homes

No extra care housing beds to provide an alternative to long-term residential care.

Two care homes and 28 beds, and 51 nursing beds have closed during the past two years.

### Hospital admissions

From December 2017 to November 2018, 129 people had their discharge from hospital delayed.

### Continuing healthcare

18 admissions a month to hospital from care homes. 289 people receiving NHS Continuing Healthcare.
